

Letter to the Community: Facta non Verba

Facta non verba, or deeds not words, is the motto of our 2014-2015 school year in Steubenville City Schools. Write a letter to a member of our community explaining the meaning of this phrase and explain how you plan to incorporate it into your school year to better yourself, our school, and the community. You may head the letter “Dear Steubenville Community Member,” but you may be asked to rewrite your heading if your letter is chosen to be mailed to a specific person.
