

A decorative border made of intricate scrollwork and floral patterns, rendered in a hatched or cross-hatched style. It frames the central text and three choice boxes. The top and bottom features larger, more complex scroll designs, while the sides are simpler vertical scrolls.

THE TRAGEDY OF HAMLET, PRINCE OF  
DENMARK

LITERARY CHOICE BOARD

CHOOSE ONE

**Choice #1**

Choose and research a character from the play to present to the class. The presentation must include at least 2 visuals and 1 handout.

**Choice #2**

Construct a questionnaire about the play and randomly ask people to participate. Present the findings to the class with a visual.

**Choice #3**

Video a scene from Hamlet (you may ask other students to participate in the video). Students must be in costume. The scene must be explained before performed. Finally, uplad the scene to YouTube for viewing.
