

Pecha Kucha assignment

Using the Pecha Kucha format, prepare a presentation about *The American Dream*. The presentation should refrain from text with the exception of the final slide, which will list the sources. The content should explain *The American Dream* from a historical perspective, introducing it from the beginning of our country to current times, yet giving emphasis on the 1920s and 1930s. The grade will reflect the accuracy in timing, the accuracy in content, and the adherence to documentation. The sources should be placed in MLA format.
