

*The Glass Menagerie* TRUTH essay

In Tennessee Williams' *The Glass Menagerie* we can all agree that Tom's mother, Amanda, is annoying. Regardless, the many contentious points that she brings up are creditable. Consider the overall truth of the situation and discuss, despite Amanda's nagging, the truth of Amanda's arguments. Point out two specific situations in the play, using textual references, and discuss the truth of the arguments by composing a 2-3 page essay. Feel free to explore outside sources to support your point of view. Be sure to type and double space your essay. Format the essay using MLA style for documentation. Include a bibliography of your sources. This assignment takes us beyond our initial reaction to Amanda to the truth of the situation.
