

tshirt instructions

The student may make a “Word of the Day” tshirt to wear on the Word of the Day test day. The tshirt must be the size the student usually wears to school, no super large sizes. The student should write or type all the Word of the Day words and definitions on the tshirt (right side up) with a permanent fabric marker or have the shirt screen printed. The tshirt may be any color. The tshirt must comply with school dress code regulations. The tshirt must be worn the entire day. Upon arrival to class, the tshirt will be marked as used for the test.
