

Poetry Exercise # 6

Choose a minimum of two stanzas from Coleridge's *The Rime of the Ancient Mariner* and analyze it. For this exercise, type the two stanzas, then add the analysis. Include a Works Cited or Bibliography page. Some suggestions for the analysis are:

1. What is happening in history that could affect the poet's reasoning for the passage.
2. What poetic devices are being used and why?
3. What is the poet trying to convey?
4. What is the reason the poet used specific words?
