Hello Wonderful Class!

I will be available for OPEN Office Hours for any student who needs to meet with me via video conferencing on Thursday and Friday. I will post to join in Google Classroom under the Stream tab. Throughout our Easter break, I will continue to be available with the schedule above for classes and Thursdays and Fridays for any student(s). The Office Hours are not mandatory, but they are helpful to discuss your work, answer questions, and to reinforce your current assignments.

Please stay safe and healthy.

Your teacher,

Mrs. Metcalf
