

Worksheet #3
ACT 5
UPDATE

UPDATE: I discussed in the weekly update and the class time Office Hours video conferencing that the worksheets needed to offer more indepth answers. **Please be sure to state your answer, support it with textual reference, and add the proper citation.** If you have any questions, please post in the Questions tab or enter an Office Hours session. I plan to extend the due date to give you time to re-submit. If you have already submitted, I will grade your last submission received before the end of the due date allowance time.
