## Worksheet #3 **Directions**

Format paper: Open a Word document.

Go to Format—Columns—Two.

Format your document with a title at the top of the left column/centered with

"Guilty" and the top of the right column/centered with "Innocent".

You do not need to include the lines, but if you want to do so, that is +5 bonus

points.

Content within the columns: Complete this T-chart to describe what makes Montag guilty of crimes against society and what makes him an innocent victim of his government.

> Each answer should be composed with your direct statement, followed by a direct quotation, summary, or paraphrase from the novel. Be sure to use correct documentation (MLA or APA). Your sources will be the indicator of the determined format. At least three (3) answers need to be listed on each side.
